**SOCIAL
INNOVATION
CANADA**

**Connecting
Canada's Social
Innovation
Ecosystem**

Empowers people, organizations and systems with the tools, knowledge, skills and connections they need to solve real and complex problems.

- Helping new practitioners to enter the field
- Strengthening capacity and building knowledge among practitioners
- Elevating the field of social innovation
- Enabling practitioners to collaborate, building stronger connections that help us align for action

Our six foundational regional nodes are all organizations/networks that have a fundamental belief in collaboration: **that we'll get further faster by working together.**
