

Key Elements for Ensuring Sustainable Communities

Sonya G. Skinner, P.Eng. McSc. Eng.
Chief Administrative Officer

(Recorded)

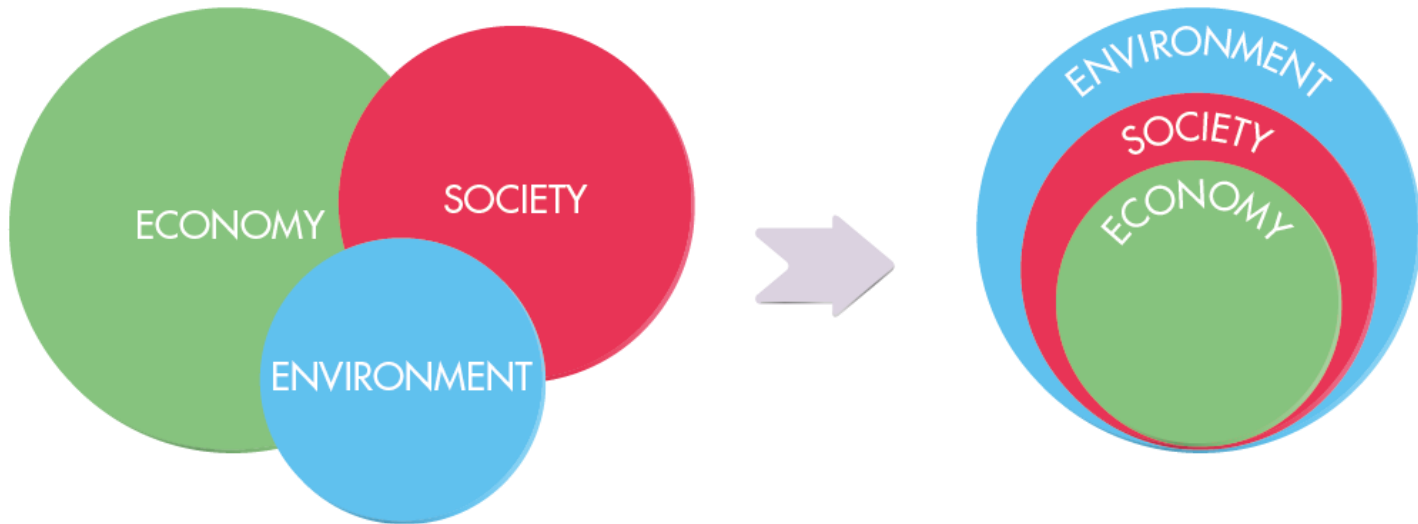

With live support from Clerk Sara Almas

Town of Collingwood – June 1, 2022

Sustainable Communities

Challenging balance of competing interests

Key Elements of Sustainable Communities

Live, Work and
School together

Compact with
beautiful public
space

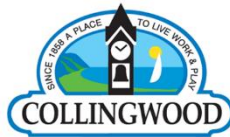

Inclusion,
Connection and
Collaboration

Worries

- Flooding and Storms
- Homelessness and under-housing
- Civility in
Conversations with
Local Government

Interrelationships

URBAN
ECONOMY
FORUM

Virtual

HOUSING WORKSHOP

Housing:

- Affordable = workers and social time
- Low energy
- Low water
- Design = social spaces and active transportation

Thursday
JUNE 30,
2022

9.00 AM-
3.00 PM

Town of Collingwood's Work

- Water Restrictions extended
 - Values-based Servicing Capacity Allocation Policy (SCAP)
- Official Plan - July?
- Economic Development
 - Extensive SG Bay business supports
 - Business Accelerator

Wish I could...

Keep more mature trees, and have
District Energy and grey water reuse
in every new development
